Youth/TAY CES – What is it?

- Youth CES is a regionally coordinated, client centered system.
- It streamlines access to developmentally appropriate housing and support services for youth and young adults, ages 16-24 experiencing homelessness and housing instability in Los Angeles County.

Youth CES aims to streamline the process to:

1. Provide safety and support for youth in crisis
2. Get youth off the street as quickly as possible
3. Prevent homeless youth from becoming chronically homeless adults.
