CES Survey: Introduction

Thank you for taking time to know the name and needs of our homeless neighbors. The 20-30 minutes you will spend are invaluable to helping us understand the unique needs of the respondent and also the broader region in which he/she resides. Your engagement of the respondent and effective application of the following survey is a critical first step to ending homelessness in Greater Los Angeles. Thank you!

CONTENTS

- 1. Instructions (for Surveyor):** Brief guidelines for best application of this survey - further instructions are available at www.lahsa.org/hmis, under Provider Tools: Document Library and Video Library, and on the CES Website at ceslosangeles.weebly.com (Forms & Resources)
- 2. Checklist:** A list of the steps involved in making the respondent eligible for referrals through CES.
- 3. Instructions (for Respondent):** A script of instructions to be read aloud to the respondent.
- 4. Consent:** Required form to gain legal permission to share respondent answers in Homeless Management Information System.
- 5. Part 1 (VI-SPDAT v2 and basic intake)**
Part 1 of the CES Survey features the Vulnerability Index-Service Prioritization Decision Assistance Tool (VI-SPDAT v2). The VI-SPDAT is a triage tool designed to recommend the best type of permanent housing solution for someone experiencing homelessness. It is a holistic survey developed by OrgCode Consulting and Community Solutions and is written in a manner designed to be understood more easily by respondents. Part 1 of the survey also includes a set of basic intake and eligibility questions to help begin identifying resources and supports that the respondent may qualify for immediately.
- 6. Part 2 (Program Intake questions)**
The program intake assessment captures all additional data that is required when entering a program. This assessment should be completed when the client is entering into any homeless service program or upon engagement in outreach and assessment only programs.
- 7. Supplemental: VA**
The VA release of information should be filled out for any client that identifies as a US veteran. While typically the VA supplemental assessment is completed by VA staff, this can also be completed by the surveyor.. It does not have to be filled out exclusively by VA staff.
- 8. Contact Sheet:** A sheet with follow-up contacts that you may wish to provide the respondent upon request.
- 9. Additional Consents (*If Provided):** Additional authorization, release and consent forms may be provided by your agency or coordinator to allow for seamless coordination with other supports or resources.

CES Survey: Introduction

INSTRUCTIONS FOR THE SURVEYOR ****Please do not read aloud****

- **THE CONSENT MUST BE COMPLETED AND SIGNED** (FOR HOUSEHOLDS, EVERY ADULT MEMBER MUST SIGN)
In the case that respondent refuses consent, or answering affirmatively in the domestic violence section, you may still proceed, however please note these special instructions: Do not enter Personal Identifiable Information (PII) into HMIS. HMIS will automatically generate an anonymous ID. Please retain at least the first page of CES Survey Part I (with HMIS ID & Client Name) for your records and future matches since you will not be required to enter identifying information into HMIS.
- **FOLLOW A MODEL OF PROGRESSIVE ENGAGEMENT.**
The various sections of the survey (Part 1, Part 2, and Supplemental sections) may be completed at one time or over various engagements, based on the comfort and preference of the respondent. Allow respondents to go at a pace that is comfortable for them. This may mean doing multiple sections, one section, or even just portion of a section.
- **REFERRALS AND NEXT STEPS.**
Initial eligibility questions for specific resources are located throughout the survey. Next steps are listed for these questions in the body of survey as well as in the office only section. Complete the next step (either a supplemental assessment or a referral) based on the comfortability and preference of the respondent.
- **RESERVE JUDGEMENT.**
Regardless of the outcome of the survey responses, please remain neutral in your response and reserve judgment and unsolicited advice.
- **DO NOT BE DISAPPOINTED IF THE RESPONDENT DOESN'T WANT TO BE SURVEYED.**
Negative experiences with past services may cause the respondent to be distrustful. Reversing course on that is a process, and your positive interaction and respect of their boundaries will help future engagements.
- **DO NOT PROMISE HOUSING OR SERVICES.**
Though you may be trying to be helpful, false promises will only add to their distrust and disinterest with future engagements.
- **DO NOT MANIPULATE RESPONSES.**
Major eligibility criteria are officially verified later so it does not benefit the respondent to be dishonest.
- **DO NOT VOLUNTEER THE SCORE OR THE SCORING PROCESS.**
You may share the general housing recommendation, but we do not want people being referred to as numbers.
- **YES AND NO ANSWERS ARE FINE, IDEAL EVEN. AVOID FOLLOW UP QUESTIONS.**
Respondents do not need to explain themselves. Explain questions if further clarification is needed, but try to keep the conversation short and clear to respect their time. Make note of items you may want to come back to, but allow engagement/case management to happen separate from the survey itself.
- **COUNT BACKWARDS AND PAUSE.**
For any question that asks a date range, count backward to the first date – so if today is January 1, 2015 and the questions asks “in the last 6 months,” say in “in the last 6 months...December, November, October, September, August, July. So since July 2014 ...” Also, for any question that states “anything like that,” add an intentional pause between “or anything (pause) like (pause) that” to help emphasize that you have read a list.
- **BE PREPARED TO EXPLAIN LENGTH OR QUESTIONS**
If a respondent finds a question offensive or is frustrated by the length, please explain that each question will help to avoid some inappropriate referrals and hopefully save them time in the long run. For other questions with more obvious answers, you may explain that you wanted to give them the ability to speak for themselves.
- **PRACTICE.**
As you become more comfortable with the survey, you should notice a gradual reduction in the amount of time it takes to complete.

CES Survey: Introduction

INSTRUCTIONS FOR RESPONDENT

Hello! My name is _____ and I am with a group called _____ (organization name). I have a survey I would like to complete with you.

- There are a few parts to this survey. The first part takes about 20-30 minutes to complete. Let's complete the first part and after that, we can see if we want to do more today, or wait for a different day.
- Most questions only require a "yes," "no" or other one-word answer. If you have more to share about an answer, I'd be happy to discuss that after the survey, but let's try and finish the survey first.
- This is not a housing application, but the answers will help us understand your health and housing needs and the needs of our community, and may help us make better referrals for you in the future.
- All that to say, I'm not using the answers you give to make any personal judgments about you.
- This survey is for anyone who is experiencing homelessness – not just people with a certain type of need.
- Some questions are personal in nature, but again, every question is designed to help us help you. You can skip or refuse any question that you don't feel comfortable answering, but the more questions you're willing to answer, the better.
- Someone may follow up with you to assist in getting documents needed to access resources, so it's important that we have accurate contact information for you.
- There is no need to take this survey twice, but from time to time we may want to update it with you, to make sure the information is accurate.
- Afterward, you may request a contact sheet and refer to it if you have questions.

Before we begin, I need to get your permission to do this survey with you. Please review the following form and let me know if you have any questions.
