

Hello! Thank you for participating in our survey. This is an important step in connecting to resources and services in our community. There are a few important facts below that you should review to avoid any confusion.

- This is not a housing application.
- This does not put you on a waiting list of any kind.
- This assessment enables our network of service providers to understand your needs, program eligibility and assist in matching you to the best resources available.
- There is no need to take this survey twice, but from time to time we may want to update it with you to make sure the information is accurate.
- Someone may follow up with you to assist in securing the documents needed to access potential resources.

Feel free to hold onto this sheet of paper and refer to it any time you have questions or contact the person that interviewed you. You can also contact the Community Coordinator, Savannah, who works at PATH, at 323-228-3216 if you have any other questions. Thank you and have a great day!
